

# Dear Valued Client

## Welcome Back!

### Here are few changes you will notice in our salon:

- All of our employees have taken and passed the Covid 19 Sanitizing Guidelines certification.
- Every employee will have their temperature checked before starting their shifts.
- Every employee will wear a face mask and gloves while working (in addition to regularly sanitizing and washing their hands).
- All surfaces will be thoroughly sprayed down between customers.
- We will use a UV light sanitizer to sanitize all of the tools we use.

### Here is a change to Salon Programs

- We will not be honoring Senior Prime Time and Men's Express programs until our business gets back on stable ground.

### Here are the things we will ask of our customers:

- We ask that anyone exhibiting cold-like or flu-like symptoms please cancel their appointment.
- We'll ask customers to please take temperature before arriving and wear face masks while in the salon.
- We will carefully manage customer traffic patterns to maintain social distancing and the number of clients in the salon at one time (this may mean that we ask you to wait outside before your appointment).
- Clients can only come by themselves. Please don't bring others that have no appointment at our salon.
- We may decline service to a client if we determine she/he displays flu-like symptoms. Thank you for your understanding.
